

INTERCULTURAL INSTITUTE OF JAPAN

INTERCULTURAL INSTITUTE OF JAPAN established in 1977, which is a multinational school, and more than 20,000 graduates from over 65 countries of origin. The school is close to Asakusa and Ueno, that is the place between old and new culture. It is a good location where you can visit the new things and the cultural of Japan. As learners come from a variety of nationalities, they also have different learning purposes and study periods, so we have a wide variety of course settings to suit it them.

QtoJAPON Inc.

QtoJAPON, established in 2010, is registered as a travel service arrangement business (Tokyo Governor Registration No. 20562). The company engages in the coordination and reservation services based on requests from domestic and international travel agencies and agents. In addition to these services, QtoJAPON operates a business aimed at introducing Japanese culture experiences, such as anime, food, art, entertainment, fashion, and tourism, to foreigners who have an interest in Japan. The goal is to foster a greater appreciation for Japan among individuals from around the world. Furthermore, the company organizes events to introduce outstanding Japanese schools to foreigners and actively plans and manages events to support the academic advancement of international students enrolled in Japanese language schools.

STUDY TOUR for Japanese Lessons
and Cultural Experiences

Weekly

“FunPlus”

SUMMER COURSE 2024

**In the morning,
enjoy Japanese language lessons in Akihabara,
in the afternoon, immerse yourself
in Japanese culture in the outskirts of Tokyo.
Let's have fun exploring Japan
with newly acquired language skills!**

“Weekly FunPlus” is a program offered through the collaboration of QtoJAPON Inc. and Intercultural Institute of Japan a multinational Japanese language school located in Akihabara. This program is designed as a short-term course for foreigners, combining “morning Japanese lessons with afternoon Japanese cultural experiences.” Participants can join for individuals aged 15 and above, regardless of nationality, can participate in classes tailored to their

Japanese language proficiency. In the Japanese language lessons, participants have the opportunity to learn new skills every day while also exploring various aspects of Japanese culture, including traditional customs, anime, art, cuisine, nature, seasons, and recreational activities. The program brings together participants from around the world, providing an enjoyable opportunity for learning Japanese language and culture.
