

Weekly "FunPlus" AUTUMN COURSE

Beginners Welcome!

¥80,000

Autumn of Art, Autumn of Appetite

In Japan, the season of autumn is enjoyed as the "autumn of art" and the "autumn of appetite." Firstly, "autumn of art" refers to autumn being a season with cool and comfortable weather, making it a time when cultural and artistic activities become more active. Numerous cultural events such as art exhibitions, concerts, and theatrical performances are held across the country. Enjoying the natural beauty of Japan also boosts creative inspiration.

Next, regarding the "autumn of appetite." Autumn is the season of harvest, and a wide variety of food ingredients become abundantly available. It is the best time to enjoy delicious dishes. As one can savor cuisine made with seasonal ingredients, it is fondly referred to as the "autumn of appetite."

"Weekly FunPlus" is a program provided in collaboration between QtoJAPON Inc. and Intercult Japanese Language School, a multinational Japanese language school located in Akihabara. This program is a short-term course for foreigners, combining "morning Japanese lessons + afternoon Japanese cultural experiences." Participation is possible from as short as 1 week, and anyone over 15 years old of any nationality can join a

class suitable for their Japanese language level. In Japanese lessons, you can progress while learning new skills every day, and at the same time, various unique Japanese experiences such as traditional culture, anime, art, food, nature, seasons, and games are also prepared. This program provides an opportunity for participants from all over the world to gather and learn Japanese and culture while having fun.
